YOU'RE MORE THAN JUST A VIP. HERE'S WHY YOU'RE A VIFP.

Make the most of your cruise by joining the VIFP Club. Guests who keep on coming back get great vacation benefits.

Not a cruise pro yet? VIFP is still for you! In fact, the best time to become a member is before your first cruise. You'll start taking advantage of members-only fares, specials and more.

COLLECTING VIFP REWARDS IS... ACTUALLY REALLY EASY.

Step 1: Just sign up.

Haven't cruised yet? Let's start you off with great members-only fares and promotions.

Step 2: Take a cruise.

Earn VIFP points just lounging by the pool. Each day you cruise is another VIFP point earned, so whether you like long cruises or spontaneous getaways, every one is totally worth it.

Step 3: That's it! You're earning points.

Took a 5-day Caribbean cruise? That's five VIFP Points. 7-day Alaska cruise? Seven VIFP Points. So simple!

IT'S SIMPLE: CRUISE MORE AND THE PERKS JUST PILE UP.

Even if you've never cruised with Carnival before, join the club today — the benefits begin today.

Start with things like members-only promotions. Then when you sail, you'll start picking up benefits like collectible Carnival items, invites to members-only cocktail receptions, priority boarding and more.

That's called living the VIFP life.
